## **Parish News**

We hear in the Gospel reading this Sunday about the Lord's encounter with a Canaanite woman, which ends with His declaration, "O woman, great is your faith!" What is it about this pagan woman's faith that merits such praise from the Lord? Quite simply, it's her persistence. When she first approaches the Lord, He doesn't respond. Her second attempt is dismissed softly and her third attempt is dismissed strongly. And yet, she is not discouraged, nor does she give up and go away. She persists in her prayer and Christ praises her faith and heals her daughter.

This might remind us of the Lord's parable about the man who went to his friend at midnight to ask for bread but was rejected because of the late hour. He concludes the parable, "I tell you, if he does not get up to give him the loaves because of their friendship, he will get up to give him whatever he needs because of his persistence" (Luke 11:8). This persistence in prayer is so important, because the goal of our prayer is not to change God or convince Him to be good to us, but rather to change us and transform our hearts to be able to receive the gifts that God already desires to give us. And we won't be changed overnight or by sporadic and perfunctory acknowledgements of God. This is why St. Paul wrote, "Pray without ceasing" (1 Thessalonians 5:17).

Only if prayer becomes a habit, a persistent relationship with the Lord that characterizes all that we do, will it really change us and open our hearts to receive the gift that God truly wishes to give us: His own life and love. What can we do differently this week to cultivate a habit of prayer in our lives? What obstacles in our lives cause us to feel discouraged about prayer? Time given to the Lord is never time wasted, so let's resolve to give Him our time more generously in prayer and allow Him to carry out His saving work in our lives.

## **Masks**

The governor of Kentucky has mandated that masks be worn indoors under certain circumstances. Bishop Foys has responded by updating our diocesan protocols to require that all those attending liturgies in all churches in our diocese wear a face covering, unless the person is under 5 or has a medical reason preventing him from wearing a mask. Of course, people performing liturgical ministries may remove the mask in order to perform their duties. We continue to ask that you please lower your mask before receiving Holy Communion. We will try to have masks available in the vestibule of the church, in case someone forgets a mask or is unable to find one, but please try to bring one from home.

Our main concern at the parish is that we remain able to worship God and celebrate the sacraments. To that end, we have to comply with the relevant mandates from the diocese and the government in order to remain open and continue to fulfill our mission. Please continue to be cooperative and charitable as we try to comply with all the relevant directives as best we can. Thank you for your patience and understanding!

## **2020 DPAA Follow-Up**

Throughout its history, the DPAA has been able to continue to support the services, ministries, and programs that help so many throughout the diocese. Your kind and compassionate support of the Appeal is a vital symbol of our unity in Christ as we reach out in faith to love one another in Jesus' name. Support of this special Appeal is also a meaningful way of expressing our gratitude to God for His many blessings. As Christian stewards, we are called to share the blessings we receive. Your loving response through both prayers and a financial gift has a great impact when done out of gratitude to the Lord. The DPAA is an eloquent expression of our love for God

and our stewardship of His gifts. To date our parish has given pledges totaling \$38,175.00. Since we have surpassed our goal, 100% of all donations beyond the goal will be returned to our parish. May God bless you for your generosity. If you haven't made your gift, please do so today, or drop it in the offertory basket next weekend.
