## **Parish News**

As announced at the Masses last weekend, Bishop Foy has updated our diocesan coronavirus protocols in light of new guidance from the CDC and new directives from the state. Masks and social distancing are no longer required in church for those who are vaccinated; those who are not vaccinated are asked to continue wearing masks for the time being. Holy water is once again available in the fonts in church. Starting in June, we'll have servers at our weekend Masses and begin having the Offertory Procession once more. We are still not permitted to offer Holy Communion under the appearance of wine, but when we receive even the smallest fragment of the Host, we receive Christ's Body and Blood, Soul and Divinity, no less than when we receive under both forms. In other words, we're taking some big steps back to normal. I appreciate your cooperation with the diocesan protocols over the last year. I know that they could be cumbersome and, even if we understood them, certainly none of us enjoyed them. Everyone's had to sacrifice in one way or another over the past year. Of course, sacrifice is always a part of our lives, and when we offer those sacrifices to God with faith and love, they help us to become more like Him, who gave His life for our salvation. So, thanks for patiently and faithfully making those sacrifices and thanks be to God for these recent steps back towards normalcy.

In light of all that progress, it seems to be a good time to remind everyone that we could always use more ministers to assist at our weekend Masses, especially servers, ushers, and readers. If you're interested in helping in any of those ways, please let me know. As a reminder, all volunteers have to complete the diocesan safe environment training.

And let's not forget that we celebrate this Sunday the great solemnity of **Pentecost**, the descent of the Holy Spirit upon the Church. It was on this day, so many years ago, that God brought the Church to life by filling her with His Love. After the Lord's arrest, His disciples fled to the Upper Room for refuge, paralyzed by the fear that they would be made to

suffer His fate. Even after the Resurrection, still they suffered from fear and misunderstanding. But now, as they are filled with the Holy Spirit, they go out of the Upper Room to boldly proclaim the Gospel of Christ to people of every nation. Commenting on this phenomenon, Pope Benedict XVI wrote, "They were not afraid because they felt they were in the hands of the Strongest One. Yes, wherever the Spirit of God enters He puts fear to flight; He makes us know and feel that we are in the hands of an Omnipotence of Love" (*Pentecost Homily*, May 31, 2009). Let us pray that we too may know that we are held secure in God's love and find in that knowledge the strength and fortitude to boldly live out our Catholic faith and bear witness to Christ before all.

Fr. Stenger

## **2021 DPAA Update**

So far, our parish has raised \$47,145.00 for the 2021 Diocesan Parish Annual Appeal. This puts us **over our goal** of \$33,100 by \$14,045.00. This amount also does not include any donations sent directly to the diocese during the month of May. Thank you for your incredibly generous response to this year's appeal! If you haven't had a chance yet to make your gift or if you find yourself in a position to give more, there are DPAA envelopes in the vestibule of the church and a link for online giving on our parish website. Remember: 100% of the funds donated to the DPAA over our goal will be returned to the parish for us to put towards the cost of our new stained glass window covers.

## **School Tuition**

Are your children going to be attending school in the fall at St. Philip, Sts. Peter and Paul, St. Joseph (Cold Spring), or St. Mary? If so, please let Fr. Stenger know as soon as possible. These surrounding parishes offer in-parish tuition rates at their schools to our active parishioners, but Father needs to know, so that he can pass on the names to the schools.

## **Thank You & Memorial Mass**

The Chalk family would like to thank you for the prayers and donations. We appreciate your thoughts and your support through this difficult time. A memorial Mass will be held for Florence Chalk on Saturday, May 29<sup>th</sup> at 10am.

## **St. Joseph Ministry – DCCH**

The Diocesan Pro-Life Office and Diocesan Catholic Children's Home (DCCH) are working together to introduce the St. Joseph Ministry to parishes in the Diocese of Covington. This ministry raises awareness of the many ways our Church can support the nearly 10,000 children in Kentucky's child protection system. As St. Joseph accepted the task of fostering Jesus, we too can care for children in need. This role can take many forms: Perhaps full-time fostering, or adopting, or supporting such a family. St. Joseph Ministry's fundamental mission is to help recruit new families to care for children and then have our church family wrap a loving embrace around each foster/adoptive parent and child.

We are asking parishioners to please recite the *Prayer for Foster Children* directed to St. Joseph's mighty intercession. We also are in need of help with recruiting and sharing the message about the need for more foster and adoptive parents. We have car magnets and yard signs available to help share our message. Additionally, we would like to know anyone from our parish who is already involved with fostering, adopting, relative or guardian care of a child. As a parish family we want to offer special prayers and support to you as you feel needed. Please reach out to Sarah Lusher, our parish liaison with DCCH, at [Sarah@Lushers.com](mailto:Sarah@Lushers.com) or visit <https://www.dcchcenter.org/stjosephsministry> for more information.
